Very, Very Bad Things

Intelligence Cowboys all over the World are getting clued in to how they have been used... to be later disposed of by the Organised Crime Cabal -- and are now taking action to reverse this

Intel Cowboys (Part II)

Note: This article is written for trained Intel professionals, Governmental Officials, and Senior Law Enforcement who honour their Oaths of Office and want to do the job expected of them by We The People and the Citizens of the World. This article is a walk down the Dark Side which will expose a certain large, very wealthy and powerful Organised Crime Cabal that has paid many billions of dollars and gone to Extreme Measures to prevent you from ever learning about this subject or its specific details or how to stop their unimaginably Evil Crimes, many of which are against little children who have previously had no help from anyone and NO rescuers. It is realised that much of the general public at large will not be able to handle this information or believe it without someone whom they respect, detailing it in simple terms which they can understand, thereby confirming it. Senior Law Enforcement and Intel operatives have the skills and resources to research this subject, if they do not already know the basics about its occurrence and the sophisticated cover-up.

Veterans today will continue to present this type of information which every human being has a right to know, and keep you up to speed on developments in what has now become a World-wide battle to defeat this Crime Cabal, so stay tuned. We must all work together and set aside differences between our nations and cultures and pull together to defeat this parasitic monster of Darkness and Evil. Yes, the Top Policy-makers who run America do Very, Very Bad Things, incredibly Bad Things to stay in power and protect their massive Organised Crime Cabal, which has world-wide reach and is empowered by the crooked City of London FIAT Bankster System.

These Top Policy-Makers can issue, print or steal all the money they need to bribe, run paedophile and human compromise operations, as well as blackmail operations, and even pay large amounts of money to have murdered, dissidents or politicians whom they think have become significant threats to their system or to make an example to scare others who might stray into compliance.

In order to advance in this massive Organised Crime Cabal that hijacked America in 1913, one must be able and willing to become incredibly [Two-Faced](#), that is; have a friendly, moral outer appearance, but at the same time, develop the ability to hide a hideous and incredibly evil nature inside and to be willing to learn to enjoy raping drugged, kidnapped and/or mind-controlled children, and participating in some of the most savage and evil murders of young children or infants imaginable, if they are to become a major Policymaker at the highest levels in the Cabal.

These Top Policymakers realise that, if their most evil ritual ceremonies of debauchery, paedophilia and child sacrifice were fully exposed to the public masses, they would quickly be attacked from all sides, and their whole evil Organised Crime Cabal would be brought down upon their heads. Yes, the total exposure of what they do, can and will, result in the complete loss of their Evil Power. Their richly-deserved Judgement is coming for these evil acts which they commit, acts so evil that they are unimaginable to most people.

No Major Network News in America would ever dare to try and run this story. Many Alternative internet Websites who claim to be Truth oriented but are little more than "stooge operations" would also avoid this story and its content like the plague. You can assume that most websites which carry this story are on the right track.

Any Editor who allowed this story on the Nightly News and the journalist/talking head who delivered it would both suffer immediate and noticeably severe sanctions. They would be immediately separated from their position and, in some cases, executed by a crack FBI, CIA or Mossad Wet-boy murder team within days or even hours.

[This is the way it always has been](#) since the City of London private World Zionist Bankster "Money-changers" took power in America in 1913. But now this is all being brought to a screeching halt as the whole World's Intel Cowboys gang up against them with some of the most sophisticated Psyops, Psi-ops and massive rearguard Populist Action imaginable.

The Bankster/Moneychangers who provide the horsepower and central control Nexus for this Worldwide Organised Crime Cabal, are now losing power by the day, along with the whole Organised Crime Cabal as well.

During the last several years, the Bankster's incredible power has been waning, and they are now hanging on for dear life, under attack from all sides from various groups all over the World who simply have had enough of their massive asset-stripping of all our Wealth and the hard-earned fruits of our labour. Believe it or not, here is what is now happening. Senior retired Intel (no high level Intel insider ever fully retires) are known to each other as [Intel Cowboys](#) because of their incredible skills in taking down targeted regimes and their ability to go in and out of borders at will, often under diplomatic credentials, many times under identities which they can easily construct... **Intel Cowboys all over the World are now getting clued in to how they have been used, suckered and to be later set aside or disposed of by the Organised Crime Cabal — and are now taking action to reverse this.**

Intel Cowboys are the elite of the elite in Intelligence gathering. In past years, they worked quietly in the background to attain their objectives. Many of these incredibly skilled, astute individuals thought that they were serving their nations by supporting what they have now come to understand to be an Organised Crime Cabal which has hijacked many nations of the World, especially England, America, Israel, Saudi Arabia and Turkey along with many of the Balkan Nations. Many have also found out that this Organised Crime Cabal was initially created by a very interesting association that developed between the Babylonian Talmudic Banksters and the Satanic Cult Network emerging from John Dee and Alister Crowley, which evolved into the Process Cult in America and now the Denver Circle of Twelve, the Bloodthirsty Ones, aka the Disciples of Satan, or the "Illuminati" as they prefer to call themselves. It is now known that this large Worldwide Organised Crime Cabal that used paedophile and other sophisticated Human Compromise Operations to entrap politicians and government officials is part of a much larger Worldwide Organised Crime Cabal run out of the City of London using Israeli Intel and the former Nazi Intel system. They became joined at the hip because they were both started and run by the World Zionists Rothschild City Of London private central Banksters and are now their main action agents.

Now for the very Dark Evil information which is very difficult to consider because it cries out for direct immediate corrective action. The information which comes next will seem to be incredible to most, but it will be presented anyway and its source is top Intel insiders, some newspaper articles and various secret Intel and Law Enforcement Reports leaked by investigators who could not allow such Evil Acts to remain hidden any longer. A strategic change has occurred among the top Intel Cowboys all around the World. Yes, they still are careful to protect their own nation's important defence secrets and systems, but they have entered into a working relationship with numerous other Top Intel Cowboys from around the World, even with those of nations which are considered to be enemies. In practical terms, this means that Intel Cowboys from many nations - even some Israeli Intel who can't stand the paedophile ops of the Organised Crime Cabal any more, and some Intel from the Russian Republic (with President Putin's apparent support). **Intel Cowboys all over the World are now connecting the dots and forming working relationships.**

As incredible as this seems, Intel Cowboys all over the World are connecting the dots and forming working

relationships dedicated to bringing the Organised Crime Cabal down by blocking its support base and destroying its ability to use national security and secrecy to conceal its crimes against society and children – crimes that are so evil that they seem unimaginable to most and which can no longer be tolerated in any form. It is important to understand that a strange common brotherhood or Camaraderie has now developed among Intel Cowboys from different countries all over the World. Intel Cowboys in general, have become tired of needless destructive wars for profit and all the human mass-death and suffering they create, merely to fatten the bank accounts of the Banksters and the Defence Contractors, those accounts being usually offshore in the Cayman Islands or some place like that where their paid-off Politicians and corrupt judges keep what is called “set aside allocations”. Yes, they have connected dots, and many Intel are unwilling to be used and abused any more, or to kill or abuse their Intel brothers from other nations any more. **Intel Cowboys have now realised that they have in many cases been mistreated and used as disposable pawns.**

CIA Agent Osama Bin Laden, whose Trade-name was Colonel Tim Osman, was receiving dialysis at Bethesda Naval Hospital right after the 9th September 2001 nuclear attack on America that he had absolutely no part in. He died of natural causes in late 2001 and was buried in an unmarked grave as is Islamic custom. His part in providing arms with which to defeat the Soviets who invaded Afghanistan for the Opium and rare-earth minerals, was historic. He would probably be turning in his grave if he knew that the Organised Crime Cabal had used the US Military to capture the Afghan opium and minerals for themselves.

The Intel people now understand that the USG, England, NATO and Israel have often murdered their black ops and spook teams when they are done with them, in order to keep things covered up. Take the recent example of the phoney raid on an Osama Bin Laden double which was staged to fool the World into thinking that Navy Seals killed Bin Laden in this raid. It is common knowledge among Intel as well as many citizens, that Osama Bin Laden (CIA name: Tim Osman) died of kidney failure in late 2001. He was known to have Marfan's syndrome, a genetic malady that it is believed President Abraham Lincoln also had. The way in which the Navy seals were treated as they concluded their raid on the Bin Laden double, was a great act of betrayal, but something which America's Top Policy-Makers have been known to do repeatedly. What was this act of complete betrayal? They did the very same thing to these US Navy Seals that a well-known American general ordered to be done to Pat Tillman to keep him from exposing what he discovered in Afghanistan. They ordered the helicopter transporting the Navy Seals to be blown up and all aboard murdered. And if that wasn't enough, they later expanded their murdering to take out another large batch of Navy Seals ordered to get on-board a decrepit old National Guard helicopter that was sabotaged.

For years there have been rumours circulating that twelve ultra-top-secret Black Ops Spook Teams operating in South America were dealt with treacherously, with an attempt to murder all of them. The Top Policy-Makers succeeded in murdering eleven of the twelve teams using high explosives planted in their radios set off at a specially scheduled “important broadcast everyone was instructed to gather around”, but one of the twelve teams learned of this and escaped. And remember, these cover-up murders of deep-cover black op teams are not an aberration of these top Policymakers. One of them who is still in power was deeply involved in the decision to abandon hundreds of POWs in Vietnam and Cambodia after the Vietnam War and the decision to use special operators and mercenaries to murder them in two separate operations. The first was to send in snipers to murder them. The cover story was that these POWs were deserters and traitors. The second operation was called 'Tailwind' and was disclosed by Admiral Thomas Moore on Sixty Minutes. In this top secret operation, specially prepared aircraft were deployed to spray lethal-on-contact VX gas on the POW camps. It is well known from NSA raw data which Russian Intel obtained through Israel going back to the Vietnam War that the NSA and the Top Policymakers had very detailed “eye in the sky” satellite and spy plane data that specified the location of almost every single POW. Most American Intel Cowboys have connected the dots and no longer want to play the game of the Organised Crime Cabal, nor serve as their disposable tools. And here is the most interesting part of this story... several of the World's Most Powerful Industrial magnates who are able to set up their own Intel and Security Forces with which to protect themselves and those in their employ, are now secretly backing these efforts of the Intel Cowboys and making sure that the Intel Cowboys are being protected with incredibly serious world-wide backing. The apparent reason is that these men know that this large Organised Crime Cabal linked to the City of London banking System of Fake Fiat Counterfeit Money, has a secret Evil Agenda to mass-murder about 90% of the human population and destroy most of the big cities. These powerful men are now committed to exposing and derailing the large Organised Crime Cabal in order to save the human race from mass death, systematic elimination Eugenics and destruction of the World's great Cities.

What does this incredible awakening of the Intel Cowboys in America and all over the World mean? What it means is this. Many Intel Cowboys, who were supposed to be retired, have gone back to work. Some are making sure that many secrets are leaked – now, even with the support of their superiors and Intel Officers of higher rank. Some of the World's Top Psyops experts have gone to work setting up very hard-hitting operations to fully expose and bring down this large world-wide Organised Crime Cabal. **Fortunately, these Cabal crimes can no longer be denied. There are far too many witnesses coming forward, and far too many stories based on rock solid evidence being published in British and European Mainstream Media. Yes, there is a large scale powerful effort to disrupt the investigations at Scotland Yard and the British**

and Belgian Police, but the Organised Crime Cabal is failing in their massive cover-up of their paedophile trafficking and abuse system of young children, which is world-wide and especially rampant behind the scenes in England, Belgium, America and Israel.

Many of the Intel Cowboys around the World have finally connected the dots that the current Terrorist acts and Wars all over the World have been pre-engineered, staged and set off by a large Bankster-connected Worldwide Organised Crime Cabal that specialises in mass-death, terrorism and wars created for massive profit generation for the Banksters and their associated Defence Contractors, in which they own the controlling interests.

An interesting result has occurred in response to this widespread, but individual, realisation by so many Intel Cowboys from all over the World that they have been played by the large International Bankster-related Organised Crime Cabal, which is controlled by a few Top Policymakers. Some have even figured out that the very Top Policymakers comprise a small Circle of Twelve centred in Denver Colorado, and that they head and run, a large world-wide Organised Crime Cabal, called the syndicate. Some realise that under existing American Federal Law, this organisation is the largest operational RICO crime Syndicate in America.

We know for sure, that a Bankster-related and supported world-wide Organised Crime Cabal has gained a stranglehold on America, it's Congress, five of the Nine Supreme Court Judges, many US Federal Judges, the US Department of Justice, and a portion of the US Military. We know that this Organised Crime Cabal has used Senator John McCain and two American Generals to assemble ISIL/Daish - aka Al Qaeda Version 2, aka Al CIA Duh Version 2. One American General made sure that numerous large heavy weapons and ammo dumps were left hidden in plain sight in Iraq for ISIS/Daish to immediately seize and take possession of. **We also now know that this Organised Crime Cabal maintains almost absolute control over its members and coerces them to betray their country, their Constitution, Bill of Rights, fellow humans, children and even in many cases their own children and spouses. It is vitally important that the methods which they use to maintain control of their subordinates, be fully exposed publicly so that the Organised Crime Cabal's system of control, which has corrupted the American Rule of Law, is deconstructed, disassembled and stopped cold.**

Right now, the various sophisticated methods of control this large Cabal uses to keep subordinates in line, be disclosed below, along with the various initiation rituals used to qualify and promote "Rising Stars" to higher rank in their Organised crime System. **It is now known for certain that, in order for a rising star to climb the food chain of the American Political System to the very top positions, they must be "initiated" into each specific level which they are groomed to enter.** New cabal recruits must go through this initiation successfully, which involves being "human compromised", that is, enticed to do very Evil and illegal things. These completely illegal, anti-social and typically disgusting acts are done in a spirit of wild partying, but are recorded and "kept in the can" ready to have the Controlled Major Mass media (CMMM) assets broadcast or publish any time they are instructed to do so, when any cabal member or cabal asset "goes outside their allowed parameters" or what is considered to be "going off the reservation".

This multi-level initiation process, according to insider reports which have become available, usually involves doing some very, very Bad Things to children like drugging them, raping them, and at the higher level initiations murdering them and dismembering them as sport. At some of these higher level Organised Crime Cabal initiation events, naked children have been hunted as wild animals on Royal game farms or large estates owned by Cabal members. Years ago, 'Veterans Today' Columnist and host for Veterans News Reports, Stew Webb was married to a daughter of the person who was and still is Number 1 in this Circle of Twelve - a man who faked his own death and is now living and hiding in Cuba. Other Intel, and Assets with inside connections, have verified what Webb has disclosed about this Circle of Twelve and their semi-annual rituals and where they occur, is essentially very accurate.

At the very highest level of this Cabal, the 'Circle of Twelve' aka the 'Disciples of Satan', men who prefer to call themselves the 'Illuminati', have regular semi-annual Satanic Black Mass Blood Rituals in which they sacrifice a living child, cut its heart out and eat it and drink some of its blood. I know this is such extreme Evil that it is almost completely unimaginable to some who will read this article. [December 22, 2014 is fast approaching](#) and this is one of the key Satanic holidays, during which the Denver Circle of Twelve meets in Denver in the middle of the night to sacrifice another child. Last year, this was prevented. Hopefully, it can be prevented this year.

Perth ripped out their [Rolf Harris](#) Tribute in Australia after his Arrest for paedophilia. He was convicted in a court of law for this charge, which has reminded many of the [Jimmy Savile case](#), a man who supplied kids to the British Super-Elites in the UK. Normally, when the public gets the full story about these extreme paedophilia abuses like this case or the Jimmy Savile Case, they get enraged and want immediate blood vengeance. Some top Intel Insiders have claimed that if the public ever finds out the true extent and severity of these paedophile network crimes of the Cabal, many major World Governments will fall in short order.

The Organized Crime Cabal operates a world-wide paedophile, human sex trafficking and human compromise network. Many stories are now being published in the British and European Press which fully support these claims and show that the [Organized Crime Cabal runs these pedophile operations all over the World](#). Last year, an asset was interrupted kidnapping a child for the semi-annual sacrifice and shot dead by a nearby plain-clothes Police Officer. It was broadcast on the Local News that the Perp had literature in his car disclosing that he was kidnapping a child for the Denver-based Illuminati to sacrifice. **Don't ever forget the Whitehouse Page Boy Scandal, the [Franklin Credit Coverup](#), the CIA Finders satanic abuse and murder of young children and the Jimmy Savile case in the UK, which is still being covered up.** Jimmy Savile is now believed to have been a major paedophile sexual abuser of children and a major supplier of kids to Super-elites in the UK and Europe for the Cabal. The Jimmy Savile case goes so high and involves so many in this world-wide Paedophile Network owned and run by the Cabal that it could bring down every major government of Europe and the United States of America. And don't forget that the Franklin Credit Union / Boystown / Whitehouse / Craig Spence affair / Senator Barney Frank story is very well documented, but hidden in plain sight. Anyone who wants to dig and do some detailed research can find much of this story on the Internet or in published books or somewhat suppressed newspaper stories. There is substantial evidence that a major [Worldwide pedophile, human Trafficking human compromise operation](#) is run by the Cabal.

Do not forget to research the notorious [Marc Dutroux case](#) (the "Belgian Beast") who supplied kids to the European super-elites in numerous Countries. These kids were kept in an underground dungeon, starved, sexually abused, then torture killed and some dismembered. This whole affair went right to the top level of Government and Police and was almost completely covered up. [A large number of key witnesses were murdered in this huge coverup](#). And do not forget to dig out the story on the Finders, which the US News and World Reports dared to publish. Are the rumours that US News is a publication linked to the heavyweight US Navy Greybeards even possible? And do the Greybeards owe major payback to the top Cabal that attacked the Naval Intel section of the Pentagon on 9th September 2001 with a Tomahawk cruise missile and murdered 35 Able Danger Investigators who were called to a specially scheduled meeting to supposedly discuss what they had discovered about the Israelis stealing 350 decommissioned W-54 Davy Crockett Nuclear Pitts to be used in their Samson Option?

These very, very Bad Things "Rising Stars" have to do to be promoted to a higher level in the Organised Crime Cabal as well as what the Top Twelve do at their semi-annual Satanic ritual sacrifices of children in Denver are so incredibly bad that, if fully exposed to the masses at large, would instantly result in their arrest for serious felonies. If the American people ever become fully informed, We The People would demand their prosecution, conviction and sentencing with either very long imprisonments, life imprisonment or even capital punishment for the top Twelve Cabal Perps. These top twelve, aka the Denver "Circle of Twelve" just happen to be America's Top Policy-Makers, folks who now have taken control over about 90% of American Pension Funds, Derivatives, the large Wall Street Banks and who control the Federal Reserve System. And the problem is that the Judicial and Law Enforcement Systems in America have been compromised and are completely corrupt at every level and are controlled by a the International Cabal. The Cabal can only operate in utmost secrecy. Once it is fully exposed, it will be attacked at every level by an outraged public all over the World. **These master criminals know that, and have paid a lot of money and worked hard, to keep all their Controlled Major Mass Media (CMMM) under their control, dispensing their false-narratives and cover-up stories to keep the public from knowing how things are really run and what is really going on behind the scenes.**

Those who control the Joint Ruling Crime Cabal are the same families that seized power in 1913, with the illegal passage of the unconstitutional Federal Reserve Act. These international criminals will only allow certain pre-selected individuals to become part of their crime system and serve them. Also, those people who are considered to be suitable candidates to become rising stars in this large Crime Cabal, must go through initiation conducted in various stages before they can be fully trusted and accepted into the Crime Cabal and rise up into its progressively higher positions of power, status and wealth. **What exactly is this large Organised Crime Cabal which seized America through stealth and bribery in 1913?** It is the Twelve Old Guard Top Policy-Makers, aka the 'Denver Circle of Twelve', the 'Disciples of Satan', men who prefer to call themselves the 'Devil's Chosen Ones' or the 'Illuminati'. Their Circle is run out of Denver where the Headquarters for the Secret Shadow Government has moved during the last twenty years. Why have they moved West out of Washington D.C.? It could be related to a long-term plan to stage a massive human sacrifice to devastate and depopulate the East Coast and D.C., either through a staged nuclear WW3 or a massive engineered weather or natural disaster, such as a large tidal wave like the one set off to hit Japan from a planted large nuke on the seabed.

How can We The People stop this Organised Crime Cabal dead in its tracks, take America back and protect the World from their schemes to stage terrorism and wars in order to gain massive profits and mass-murder millions of people? How can We The People stop this Cabal from it's massive asset stripping of America and its so far unmitigated crime spree, which upon even a cursory examination, is evil beyond imagination to most who consider its crimes against We the People and Humanity. It is becoming increasingly clear that those who are at the very top of this Crime Cabal (Syndicate) are anti-human parasites and must be brought to real justice, not mere fines like the major Wall Street Banks have settled for after

being caught in massive criminal fraud regarding the Mortgage Bubble. Some believe they are parasites on the Human Species and must be exterminated for the Capital Crimes they have committed, that is the millions of innocent people their staged wars for profit have murdered.

'Veterans Today' Senior Staff at the 'Damascus Conference in Combating Terrorism and Religious Extremism' where Gordon Duff, VT Senior Editor, delivered the Keynote Address which was Historic for its first-time public disclosure that Terrorism is an Organised Crime problem. This important disclosure has sent shock-waves around the World. Could there be some well-known and some not-so well-known Intel Cowboys in this photo? As 'Veterans Today' Senior Editor [Gordon Duff disclosed in his Historical Speech](#) delivered at the Damascus International Conference in Reducing Terrorism and Religious Extremism, terrorism in the Middle east is actually a Crime Problem related to the actions of a large Organised Crime Cabal, which is being assisted by one US Senator and some US Military Generals. All the evidence supports the conclusion presented by Gordon Duff. This current Middle east terrorism is a by-product of Organized Crime, nothing else. And Duff was interview by Richie Allen on his well-respected talk show in London, England, two weeks later. During this interview, Gordon Duff disclosed some shocking revelations that are spot on. Lately Duff has been helping us all and especially the Intel Cowboys around the whole World, to connect these important dots.

Be aware that a powerful coalition has developed in the background of these Intel cowboys, who are now fully aware of the anti-social, completely-evil Satanic long-term goals to mass-murder 90% of the populace and destroy most major Cities. Many of the massive Intel leaks can also be credited to these folks, who will no longer allow this Organised Crime Cabal to pose a threat to destroy most human life and all the major Cities of the earth.#

Here is the most interesting part of this secret story which you will never read or hear about anywhere else but 'Veterans Today'. These Intel Cowboys are deconstructing this large Organised Crime Cabal one step at a time in their own nations without in anyway harming their own real national security. As many VT readers know, the Organised Crime Cabal could never have attained the scope of Power they have inside America without illegally invoking the false-cloak of "National Security" to cover up their crimes which the public would never accept if they were allowed to know. Now they are allowed to know, and because Truth like this is diffused at the speed of light all over the World on the Internet, they will know and will put a stop to the unimaginable Evil done by this large Organised Crime Cabal.

Working together, we can all bypass the Controlled Major Mass Media (CMMM), which is owned and controlled by the Organised Crime Cabal, and destroy the secrecy which protects their unimaginable acts of parasitical Evil from exposure, which will be quickly followed by their fall from grace, loss of power and complete demise one way or another.

Now what can you do to help stop this? Share this article with all your trusted friends and family. Discuss it with those who want to know the truth. This raises the group consciousness of We The People, aka the Moral Density or Psi-Power of We The People, which is something the Major Mass Media should be doing if it ever published the real Truth which it is not allowed to do because its owners are under the control and spell of this Crime Cabal.

Hang on folks, watch closely and be a part of it by doing what you can. The times they are changing, and the Intel Cowboys have gone back to work. This time their objective is to engineer massive Intel Dumps based on "political revenge for sanctions" to fully expose the unimaginable Evil of the Organised Crime Cabal and stimulate a broad-based rear guard action motivated by rapidly escalating Moral Density, which is driven by the populism that is emerging in Parallel to the Worldwide Internet, the New Gutenberg Press. The Crime Cabal now realises the massive threat which the world-wide Internet poses for them. That is why they staged another False-Flag attack [using their "owned" Cyber Warfare cronies to hack Sony and falsely trying to blame it on North Korea](#). Their fall back routine will be to spread a fake story that the Sony Top Executives in Japan did it to institute revenge on their American counterparts in the company. This too is a false narrative dispensed by the Controlled Major Mass Media. It is late in the game and legitimate Internet Alternative Websites need to overlook minor differences and work together on common ground to expose this large Crime Cabal.

Without continued secrecy, the Cabal cannot continue to operate, and even without an honest Major mass media, the Alternative news sites on the Internet can, and are, now doing the job, and populism is emerging all over the World in parallel with the massive growth of the Internet.
